Hi Nili/Ehud:
Hope you're both well. I am attaching a draft for you to read of the initial sample passage.
As I explained when we met, the idea is to use the material from our discussions to draw the
reader (and really, at this point, competing publishers and editors) into your remarkable life, and
the kind of story you have to tell. The NY agent, for instance, was very keen for me to include
mention of your Matkal mission as a "woman" in Beirut.
Again, as I explained, this opening/preface may well change, perhaps a lot, in the final version,
but its other function is (that's why it ends as it does) to lead seamlessly into the Chapter Outline,
which will begin with your childhood.
Needless to say, let me know of any changes you'd like to make. Am happy to speak by phone.
Will be away for the rest of today, but back in action tomorrow morning.
Best wishes
Ned
